Choose a candle that fits you

Create a lasting experience that people can return to, explore, and share. Start with the plan that's right for you, and expand as your impact grows.

What Is An Activation?

An activation occurs when an individual intentionally enters a Candle through a QR code or direct link.

Your Candle

Every Candle may be personalized with

Event

Or identity

Your logo is etched directly into the Candle experience.

Plain Candle

Your Branded Candle

“

“Our logo on the Candle makes it unmistakably ours. It becomes a lasting part of the experience.”

— *Oakridge Retreat Center*

Our brand became part of the experience rather than just another giveaway.
